ABOUT THE COLLEGE

Jai Hind College (Autonomous), a multi-Faculty College, established in 1948, by a group of dedicated teachers from Karachi and currently, managed by the Sind Educationists' Association, is an Autonomous College, affiliated to the University of Mumbai. It is one of the premier educational institutions in Mumbai offering a wide array of programs under the Aided and Self-financed sections as per the UGC regulations. The college is recognized for its distinctive teaching in several Undergraduate and Post Graduate Programs encompassing several disciplines in Arts, Sciences, Commerce, Management, Business Administration, Data Analytics, Media Studies and also in Vocational Programs in Travel and Tourism Management and Software Development. The College fosters excellence in academics, promotes a value-based, multi-disciplinary learning approach in synchronization with the vision of the New Education Policy 2020. The institution promotes a research culture that consistently enriches the students and the faculty, facilitates employability through special certificate courses. encourages the faculty to upgrade themselves continuously, to match to the upcoming demands of the higher education sector and to the economic needs at the national and global level. The college endeavours to impart holistic education through pursuit of knowledge beyond the curriculum supplemented by a commitment towards the needs of the society at the local, regional, national and international levels. In its endeavour to create an employable generation, the college promotes value added courses which includes Certificate and Diploma courses in addition to its regular curricula, in order to achieve global benchmarks. All our programs work towards the fostering a collaborative industry- academia ecosystem in the best interest of our students' future. Our Vocational Programs are aligned to the National Skills Qualification framework and are focusing on preparing work ready graduates.

2

PRINCIPAL'S MESSAGE

Dear Students

As you all know, Higher Education in India is undergoing a major shift and is enhancing the focus on building a worthwhile connection between the learners, employers and the society on one hand and creating an ecosystem in commitment to SDG 2030 of living a fulfilling and inclusive life. Just before this, in the transitional phase between pre and during pandemic, educational system while ushering the new techniques of the online teaching-learning phase strengthened the learning ecosystem and quality features. Blended or hybrid learning is no longer an alien terminology, and to remain relevant we will need to pick the best of both forms imparting knowledge. At Jai Hind College, we are blessed with an infrastructure that supports this system, with Smart Boards in various classrooms, a Media Lab with recording facility, and above all, a dedicated IT team and staff to make sure all this works seamlessly. We are also fortunate to have a pool of dedicated, sincere and passionate faculty who never shy away from accepting new challenges and evolve with the times. Altogether, as a team we learnt to visualize, create, curate and bring the teaching-learning experience in innovative and novel ways matching with the changing trends.

Our students are and will always remain the central focal point of our cumulative energy and it is their undying enthusiasm that encourages us to always go an extra mile. We constantly strive to provide them with an experience of our vibrant culture throughout various co-curricular and extracurricular activities. The brain storming, the ideation, the interactions and the bonding that goes hand-in-hand with being a part of such activities – whether organizing or participating - is something no student should miss a chance of experiencing and we at Jai Hind College offer myriad of such opportunities to each student, whatever be their talent.

This year is also special as it is our 75th year and in our long journey since 1948, we have travelled a long way constantly trying to raise the bar of excellence. I am looking forward to celebrating this milestone in the history of our institution with you all and making it memorable. "Once a Jaihindite always a Jaihindite" is what makes us one family and I am looking forward to reaching out to all our alumni to be a part of this momentous occasion and having them reunite with each other and their alma mater. Let us all join hands to live up to our motto "**I WILL AND I CAN**" and make this happen.

I welcome you on behalf of the college to experience the learning experience at Jai Hind College which am sure will shape your career well and provide you with unique learning experiences. We are committed to implementing the vision of the student centric NEP 2020 in best possible ways.

Principal
Jai Hind College (Autonomous)
