## M.Sc. Internship based project Syllabus

### Semester-IV

Course Code	Course Title	Duration	No. of Credits
SBDA401PJ	Internship based project	20 Weeks	20

A real life project has to be undertaken at an industry for 20 weeks. Each student will have two supervisors: one from academic institution and one from the industry. The project shall involve handling data extensively and use of methodologies learnt during the course work to derive meaningful inferences. A final project report has to be submitted and an "open" presentation has to be made.

#### **Project evaluation may be as follows.**

Report from two supervisors: 200 marks (100 each)

Project report: 200 marks

Presentation: 100 marks.

Total: 500 marks
