

1) Message from the HODs desk:

The main objective of our department is to make the students knowledgeable and skilled to improve their employability and making them professionally competent. To promote digital literacy and inculcate the habit of practicing accounts online using modern tools. The Department organizes various events, seminars, workshops on recent trends in Accounting every year which also helps in encouraging them to further participate in research at University levels and publish the research papers.

Message about the department:

The Accountancy Department was set up 26th July 1980 and is engaged in Accountancy Subjects of B.Com., M.Com. and B.A. Courses. The main objective is to make the students knowledgeable and skilled to improve their employability and make them professionally competent locally, as well as, globally.

The Subjects/Papers generally covered by the Department are Financial Accounting, Auditing, Costing, and Taxation including Income Tax, GST etc. with the assistance of lecturers including professional Chartered Accountants as faculty members. The Department has been constantly contributing for the benefit of the college by making the students equipped with advanced knowledge and updated with academic professional capabilities of international standards.
