

1) From The HOD's Desk

“It is a pleasure to head the Department of IT and B.Voc. in Software Development. The department with its state of art facilities and highly qualified faculty works with the objective of addressing critical challenges faced by the industry, society and the academia. Perhaps even more important is our unceasing commitment to our students, helping them to learn, grow, develop, and achieve their goals in their pursuit to excel in their professional career. The Department of IT and B.Voc. in Software Development has recorded

consistent improvement in its academic, research and placement performance. We offer a range of innovatively designed programs whose curricula are constantly updated to meet the changing requirements of the industry and also to meet the needs of major stakeholders. Through an innovative teaching-learning process, a teamwork approach and leadership building experience, our students gain vital communication and critical –thinking skills. We believe that our students have been well accepted in their job profiles and have consistently exceeded expectations of the corporate world.

During study at the department, the students are encouraged to get hands-on experience in the corporate world through internship projects with reputed organizations. In their curriculum they are encouraged to take up mini projects and assignments to supplement theoretical knowledge with practical experience. We also encourage students to organise events such as Cyber strike (Intercollegiate Tech Fest) and also get involved in activities of social relevance.

With this brief introduction, I welcome you to be a part of our journey towards being a world class centre of excellence in education, training and research.”

Message about the department:

- Since the entire world is upscaling with technology it has been a need of an hour to deliver good knowledge to the aspiring I.T professionals. To ensure that the graduates of higher education system have adequate knowledge and skills for employment and entrepreneurship. Hence, the department of B.Sc(I.T) , was established in 2013, and strives to shape computer professionals of the future.
- Inorder to keep the course updated and provide complete knowledge regarding the various courses offered during the journey of becoming IT professionals of the future we have a faculty strength of 8 faculties.
- The course is designed to keep the students updated with all the emerging technologies out of 10+2 with Mathematics.

Key activities :

- Every year, the students of First Year are given an ORIENTATION at the start of their Degree College. Every year the College felicitates the students who have graduated during GRADUATION CEREMONY.
- For the holistic development of students, various curricular activities are conducted like

Presentation, Group discussion, Case study sessions, Seminars, Workshops, Projects. ● Co-curricular enrichment programs are conducted on Internships, Industrial visits, Team building activities, Guest Lectures, etc.

- In order to develop an aptitude for research we encourage students to participate in Avishkar Research Convention (Annual Inter Collegiate Event), Xplore (Annual Science exhibition), Discussion club.

Internship and Placement cell :

- The prestigious placement cell of the department was established to place our fresh graduates into organizations and companies worth their caliber. Companies like TCS, Wipro, Schbang, Tetra soft labs, etc. have offered PLACEMENTS for our students time-to-time.
- It hosts seminars and workshops on various topics such as alumni pre-placement talk, CV writing and verbal skill enhancement.
- The placement cell also guides students with various study resources to build their technical aptitude skill.

Discussion Club:

- The Department promotes Research activities amongst the Students and Faculties under the roof of Discussion Club which was initiated in the year 2018.
- In Discussion Club we encourage the students to perform research activities with the help of Guest Lectures by eminent personalities in the area of research domain. ● We guide the students to identify the different domains of research, tools required to write scholarly articles, and research ethics, procedure to present or publish the articles.

Dot Com Club:

- The **DOT COM CLUB** being the official club of the IT and BVoc(SD) department, is an entity “of the students, for the students and by the students”.
- “**CYBERSTRIKE**” is the department’s annual event which consists of workshops such as drone making, competitive activities such as debate and quiz and other gaming competitions like Counter Strike, FIFA etc.
- The event also consists of seminars on the latest trends and innovations in the IT industry.

USP of the course:

Our program is tailored to prepare the students professionally to face the challenges of the rapidly evolving area of IT

Enriching Research Skill by participating through Avishkar and Xplore
 Recognizing Different learning styles and Mentoring them accordingly
 Giving Higher Education opportunities through Foreign Collaborations
 Providing Experiential Learning through Internship
 Providing Experiential Learning through Internship
 Latest Industry Standards mapped through Additional Certificate Courses

Internship and Placement cell :

The prestigious placement cell of the department was established to place our fresh graduates into organizations and companies worth their caliber. Companies like TCS, Wipro, Schbang, Tetra soft labs, Eclinical works etc. have offered PLACEMENTS for our students time-to-time.

It not only aims at placing the Third Year’s but also strives to work towards helping our FY’s and SY’S get internships and training programmes to mold them into the IT professionals of the future. Students have been selected for internships in companies like HDFC Life, Fortis, D fine solution, cybersmith secure etc. Based on the performance and successful completion of the internship, our students have received pre-placement offers and have been placed in those companies.

It hosts seminars and workshops on various topics such as alumni pre-placement talk, CV writing and verbal skill enhancement.

The placement cell also guides students with various study resources to build their technical aptitude skill.

Discussion Club: The Department of MSc Big Data Analytics, along with BSc. IT and BVoc. SD promotes the Research activities amongst the Students and Faculties under the roof of Discussion Club which was initiated in the year 2018.

In Discussion Club we encourage the students to perform research activities with the help of Guest Lectures/ Webinars by eminent personalities in the area of research domain.

We guide the students to identify the different domains of research, tools required to write scholarly articles, and research ethics, procedure to present or publish the articles.

Every year students of MSc Big Data Analytics, BSc IT and BVoc SD have presented and published the papers in National and UGC CARE Listed Journals in the domain of Machine Learning, Cloud Computing, Cyber Security, Networking and Artificial Intelligence.

Year	Events
2019-20	Mr. Krish Nair , student of BSc IT has presented A literature Survey on “Challenges in Cyber Security” in “Two Days International E-Conference on Advances in Information Technology, Business Management and e-commerce” organised by The Quaide Milleth College for Men.
2021-22	Guest Lectures: -"Research Paper Writing Skills" by Ms. Krishnachalitha KC -"Research Proposal, Paper Writing" by Ms. Rupali Sawant -"Research Ethics” by Dr. Vidhi Agrawal
	Mr. Vikas Ambekar, Mr. Sarvesh Ghag , student of BSc. IT participated in Multidisciplinary E- Conference, presented paper on “Role of Cloud Computing in Business World for Surviving Pandemic” which got published in IJAIR journal.
	Mr. Vedant Gupta , student of BSc. IT participated in Multidisciplinary E Conference, presented paper on “Cyber Attacks During Pandemic” which got published in IJAIR journal Mr. Om Kshirsagar, Mr. Aman Maurya student of BSc. IT under the guidance of Ms. Fatima Shaikh, "participated in Multidisciplinary International E Conference, presented paper on “Alpha participated in Multidisciplinary International E- Conference, presented paper on “Alpha Zero Vs Stockfish - A Review of Chess Engines” which got published in UGC Care journal " Zero Vs Stockfish - A Review of Chess Engines” which got published in UGC Care journal
2022-23	Mr. Krutik Maru, Mr. Yash Chaubey , students of Bsc IT participated in International Conference on “Leveraging Technology for Creating Competitive Advantage” and presented the paper on “Apple Neural Engine Accelerating AI/ML”.

DOT COM CLUB:

The **DOT COM CLUB** being the official club of the IT and BVoc(SD) department, is an entity “of the students, for the students and by the students”. “**CYBERSTRIKE**” is the department’s annual event which consists of workshops such as drone making, competitive activities such as HACKATHON, debate and quiz and other gaming competitions like PUBG, Counter Strike, FIFA etc. The event also consists of seminars on the latest trends and innovations in the IT industry. The team of Dot Com Club also organizes **Teachers Day** celebration, **Christmas** party, etc.

Year	Events
2018-19	2 Days Intercollegiate Technical Festival “Cyber Strike” on 5th and 6th December 2018
	Tech Talk on Cyber Security by Mr. Brijesh Singh (Head of Maharashtra Cyber Cell) on 5th December 2018
	Technovators session by Ms. Janvi (Founder of Blee Tech Innovations) on 5th December 2018
	Drone Making Workshop (Certification from IIT Bombay) on 5th and 6th December 2018
2019-20	Seminar was conducted on “Cyber Security”
	E-Waste drive of 4 days was organized.
	Cyberstrike 2019 - 2020 was held
	Christmas Party was organized in December. Conducted an intercollegiate virtual technical event Cyberstrike on 20th and 21st February of 2021.
	Conducted a virtual Treasure Hunt on 29th December 2021.

2020-21

	<p>“Current Trends and Technology” a 3 day webinar series was conducted from 10th-12th June 2020</p> <p>-Day 1: Getting started with Cloud and WordPress by Mr. Rajendra Zore founder of Host My Blog.</p> <p>-Day 2: Machine Learning by Dr. Pooja Raundale Prof. and Head, MCA Department, SP College, Mumbai.</p> <p>-Day 3: Digital Hygiene: Online Profile Management and Cyber threats by Mr. Sohrab Vakharia, Founder at wise Monkeys.</p>
2021-22	<p>“Cybersecurity - Think Before You Click” a 3 day webinar series was conducted from 16th-18th September 2021</p> <p>-Day 1: Having adult movies on your phone/whatsapp? Risks, remedies and laws; Workshop on cyber security tools and awareness session. -Day 2: The internet: half glass full or empty? And the cybersecurity issues that come with it.</p> <p>-Day 3: Dark Side of Social Media & Criminal Investigation.</p>
2022-23	<p>Pre Promotional Event of Cyberstrike on 6th January 2023</p> <p>Graphics Workshop by Ex students (Kainat Chaudhary and Sivaottam) on 6th January 2023</p> <p>Cyberstrike 2022 - 2023 on 27th and 28th January 2023</p> <p>E-Waste drive of 2 days was organized.</p> <p>Artificial Intelligence Seminar by Aditya Phadnis (UX Stretegist and Metaverse, Lead at LTIMintree) on 14th Jaunary 2023</p> <p>AI in Corporate Seminar by Mahima Sood (Project Lead, Conversational AI at Tech Mahindra) on 25th January 2023</p> <p>Christmas Party was organized in December.</p> <p>AI in Offensive Security Seminar by Vishal Maurya (Internship at Amazon of United States of America and previously worked at Webonise Lab) on 4th February 2023</p>

6) Student Achievement **year-wise**

Year	Name of the student Class Name of the Event (Academics)
2019-2020	Neel Sagar TYBScIT He has cleared IELTS
	Rita Jain TYBScIT She has cleared MHT-CET (MCA)
	Husein Gheewala TYBScIT He has cleared MHT-MBA-CET
	Mansi Chavan TYBScIT She has secured second place on

	<p>scholar list of 2019-2020</p>
	<p>Ekta Sollet TYBScIT They have won an Aadarsh Mani FYBScIT award for highest attendance</p>
