

COMMERCE Departmental report for website

1) Message from the Commerce Coordinators desk:-

Commerce Education emphasizes the importance of ethics in business along with understanding of concepts related and applied in the practical world. It develops the required knowledge, attitude and skills for successful heading of Trade, Commerce and Industry. It is one of the most popular career options in India.

Commerce education not only is a backbone of business but also plays a major role in the development of the country. The Commerce department of Jaihind Junior college aims at providing the knowledge of rules and principles of business practices so as to prepare students not only to participate in global trade but also make them financially literate.

2) Message about the department:-

- Jaihind introduced Commerce in the year 1979 when admissions were opened to the FYJC, with the following year 1980 it opened the gates for SYJC making the 1st batch giving its HSC Board Exam in the year 1981. Since then Commerce has only moved in the upward direction.\
- The subjects taught under Commerce stream are -
