Dr. Ashok Wadia
Principal
Jai Hind College
Mumbai 400 020

Proposal: Joining of Sophia College MSc (Analytical Chemistry) - Part I students to your MSc-
Part I (Chemistry) students for online lectures conducted by Jai Hind College for the
same.

Dear Dr. Wadia,

I write to request you to permit the students of Sophia College MSc (Analytical Chemistry) -
Part I to join the stream of online lectures conducted by Jai Hind College for MSc-Part I
(Chemistry). I would be most grateful if the students of Sophia College (10 students) are
permitted to use the links of the online lectures and benefit from them.

Sophia College has had a cordial relationship with Jai Hind College over a long period, and we
have collaborated earlier in organizing Practical Exams as well as conducting exams for MSc-
Part I (setting of Theory Papers).

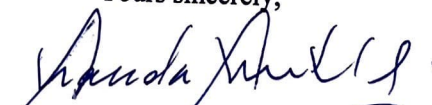

In light of this history, I would request the management of Jai Hind College to permit your
faculty to share their expertise with our students. In order to share the burden of lectures, we
from Sophia College are most willing to share our expertise as well.

We would like to honour the commitments, and terms and conditions set up by the Co-ordinators
of the MSc-Part I programmes and assure you of our support and co-operation at all times. We
would be most willing to discuss any of the modalities required to foster this collaboration. This
venture would go a long way to further the interaction of both the faculties as well as benefit the
students at large.

Looking forward to your support and co-operation and assuring you of the same.

With warm regards,

Yours sincerely,

(Dr. (Sr.) Ananda Amritmahal)
Principal
