

# JAI HIND COLLEGE

Basantsing Institute of Science & J. T. Lalvani College of Commerce.  
and Sheila Gopal Raheja College of Management  
**Autonomous**

## Green Club

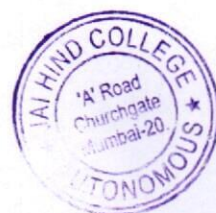

The Green Club has been formally established at Jai Hind College from the academic session 2022-23, as an integral component of the "BEST PRACTICES" of the institution. The primary objective towards the inception of this initiative has been to initiate, promote and sustain appropriate measures so as to create awareness towards our responsibilities for a 'Greener' environment.

From the academic year 2023-24, the Green Club as an association promoting the various sustainable goals under the UNITED NATIONS, has been mandated for each college in Maharashtra as a joint initiative of Higher and Technical Education Department, Government of Maharashtra, and UNICEF Maharashtra.

### **OBJECTIVES:**

The Green Club (GC) promotes the values of environmental stewardship amongst citizens. It aims to work towards an eco-friendly environment through efficient use of resources like water, waste, energy, and circularity primarily in and around educational institutions.

The formation of Green Club will primarily focus on coordinating with youth to support environmental activities and projects within colleges and communities as extension services. Under this program, the aim is to empower the neighbouring community through students to participate in and promote 'Green Initiatives'. Green Clubs thus imbued as curricular activities within the framework of educational programs will ensure effective implementation and act as a platform to develop sustainable lifestyles, knowledge, and leadership skills.

### **Composition of the Committee**

#### **Dr. Nissey Sunil - Coordinator**

Dr. Payal Acharekar - Deputy Coordinator

Ms. Vibhuti Gunjal - Trained in Swachhata Mission, GoI initiative

Ms. Vedika Bane - Crit 7 NAAC

Dr. Onkar Lotlikar - Dept of Chemistry

#### **ROLES & RESPONSIBILITIES:**

**Green Club Faculty Coordinator (GCFC):** Faculty Coordinator will act as a bridge between the GC and College Administration/ Principal.

**Deputy GCFC and Support Faculty:** Along with GCFC, will work out an annual calendar of activities for the Club along with office bearers. Coordinators will play a key role in guiding and monitoring the activities.

**Green Club President:** Along with Green Club Vice President, will plan and present the budget for the same. They will be responsible for planning and executing activities in coordination with club members. They will work out detailed activities in accordance with the annual calendar.

**Green Club Vice President:** The Vice President will have the decision-making powers in the absence of the President. Both are expected to be responsible for coordinating, implementing, monitoring, and reporting the activities planned collectively at the college level.

**Green Club Campaign Coordinator:** will chalk out the campaigns based on the ideas suggested by different members and participants, primarily students, and plan the detailed work-out in consultation with the President and Vice President and Faculty Coordinators.

**Green Club Documentation Coordinator:** will be responsible for documentation of minutes of all meetings, reports of activities, and any other related documentation.

**Support Members:** A Student Committee will be formed to support Coordinators. Student Committees of five members each will support the Documentation Coordinator and a committee of seven to eleven members will support the Campaign Coordinator. The Faculty Coordinator will guide them as and when required.

**Members:** The members (including those in organisational roles) will actively participate in Green Club activities that are focused on the following themes: Water Conservation, Waste Management and Circularity, Energy Efficiency, and Biodiversity Conservation.
