

Department of Political Science (BA)

About the department:

The Bachelor of Arts in Political Science program at Jai Hind College, established in 1948, is open to students from all streams. In the final year, students can specialize in majors. The program emphasizes analyzing current national and international issues and offers experiential learning opportunities. Many alumni continue their studies at prestigious global universities and excel in competitive exams such as UPSC, MPSC, CLAT, NET, and SET. Our students participate in events like the Youth Parliament and debates, and they find placements in government, NGOs, think tanks, and international organizations.

About the HOD:

Political Science is a One-person Department and is headed by Dr. Reema Julka since 2008. She is also a Deputy Coordinator of IQAC, Member of the Admission Committee, Unfair means Committee, Teacher's Academic Forum (TAF), NAAC Criterion I and the Chairperson of the Political Science Forum.

Message from the HOD:

Welcome to the Department of Political Science at Jai Hind College! We offer courses in key political science areas, preparing students for careers in law, journalism, and public policy. Our department fosters leadership and decision-making skills through activities like seminars, debates, and field visits, with students actively involved in organizing and innovating these events.

Students Achievements

Our college achieved significant accolades, including winning first prize at the Inter-Collegiate Youth Parliament Competition in January 2019. Student research papers have been recognized, such as one published on the impact of COVID-19 on print media. Notable awards include Best Speaker accolades and High Commendation in Model United Nations, while 16 students were selected for the UN Millennium Fellowship Program in 2021-2022.
