

BACHELOR OF BUSINESS ADMINISTRATION

About the Department

Due to the widening gap between educational institutions and the requirements of the Industry, there is a necessity to ensure that education reflects changing work tasks and employment structures. This program blends Industry Exposure with Academic Knowledge and is intended to prepare ready to be employed Business Graduates .BBA (Industry Integrated) program is more application oriented and gives practical exposure to the students along with the classroom theoretical knowledge of business & industry.

This special programme - designed in collaboration with Tata Consultancy Services (TCS) - facilitates students to conveniently pursue careers in sectors like Banking, Insurance, Financial Services, Retail etc. By integrating practical exposure with academic knowledge, the program prepares students for careers in sectors like banking, insurance, and retail, equipping them with the skills to become effective leaders and decision-makers.

About the HOD

Dr. Rakhi Sharma: Head of Department

Qualifications: MBA, PhD (UGC NET-JRF), LLB

Specialization: Marketing, Finance, Entrepreneurship

Email: rakhi.sharma@jaihindcollege.edu.in

Message from the HOD:

The Bachelor of Business Administration program is a dynamic and forward-thinking program designed to develop future leaders and entrepreneurs. It combines theoretical knowledge with practical experiences, emphasizing critical thinking, strategic decision-making, and ethical leadership. Through internships and industry interactions, students gain real-world insights, preparing them to excel in the ever-evolving business landscape. At our Department of BBA, we prioritize real-world learning experiences. Students get to engage in hands-on projects that solidify their foundational knowledge. We foster creativity and innovation by focusing on essential future skills such as entrepreneurship along with digital marketing.

Programme Offered

Bachelors of Business Administration (Self-financed) under AICTE.

Societies/Cells Under Department

A| The Case Study Cohort

A dynamic platform where students tackle and present solutions to business cases, guided by faculty, mentors, and industry experts. The focus is on developing a business mindset through analytical problem-solving of current-affairs cases, fostering hands-on experience and industry exposure

B) Entrepreneurship Cell and Skill Hub (Under RUSA)

Founded in 2007 with a Skill Hub added in 2018, this initiative promotes innovation and skill development under the Institution's Innovation Council. Key events include E-nnovate, a 5-day program with workshops and competitions on entrepreneurship, and the Global Entrepreneurship Summit, featuring competitions, speaker sessions, and masterclasses on topics like AI and digital banking.

C) Jai Hind Business Conclave (BBA Initiative)

Launched by Jai Hind College's BBA Department during the college's 75th anniversary, the Jai Hind Business Conclave is designed to connect classroom learning with real-world applications. The event brings together industry leaders, business executives, and policymakers to exchange innovative ideas and collaborate on creating a better future.

D) The Vocational Journal

The Vocational Journal is an innovative newsletter that offers enriching content and real-world learning opportunities. It features case studies, discussions, and updates on significant environmental changes, aimed at keeping readers informed and engaged. Additionally, the journal emphasizes the development of students' soft skills to support their career success.

E) Talaash

Talaash, a celebrated management festival at Jai Hind College, recently marked its 24th year. Talaash, organized by Jai Hind College's BMS department, is a major management festival in Mumbai. It aims to enhance students' creativity, strategic thinking, and leadership skills while attracting participants from various colleges. Over 25 years, it has evolved from a simple treasure hunt into a celebrated event showcasing student talents featuring competitions, workshops, and activities in finance, marketing, and entrepreneurship
