

BSc IT

About The Department

As the world rapidly advances in technology, it is crucial to provide aspiring IT professionals with high-quality education. This prepares graduates for both employment and entrepreneurship. In response to this need, the B.Sc. (I.T.) The program was established in 2013 to cultivate the future leaders in the field of computer science.

To ensure our curriculum remains current and offers a thorough understanding of diverse IT topics, we have a dedicated faculty of eight members. The program is specifically designed to keep students abreast of emerging technologies, building on their foundational knowledge from their 10+2 Mathematics education.

About the HOD

Mr. B. Wilson Rao brings a wealth of knowledge and experience to his role as Coordinator. He holds a distinguished double Master's degree, combining a Master of Science in Information Technology (MSc-IT) with a Master of Commerce (M.Com), demonstrating his proficiency in both the technical and business aspects of the IT field. Mr. Rao's specialization areas showcase his diverse skill set.

He possesses expertise in:

- E-Commerce
- Internet Security
- Java Programming.
- Enterprise Jakarta
- Cloud Computing
- Big Data Analytics

Message from the HOD

The IT department offers an innovative program with strong industry ties and a focus on practical learning. Through internships, projects, and events, students develop essential skills and excel in their careers. We welcome you to join us on our journey to becoming a world-class education center.

Faculty Details

- a. Name: Ms. Sunita Jena
Designation: Asst. Professor
Qualification: MSc-IT
Specialization: Networking, Net Programming, Android Programming, Electronics, Web Programming, Software Engineering, Artificial intelligence, Python Programming
Email: sunita.jena@jaihindcollege.edu.in
- b. Name: Ms. Tejashree Parab
Designation: Asst. Professor
Qualification: MSc-IT, NET
Specialization: Machine learning, Artificial Intelligence, Applied Mathematics, Logic & Discrete Mathematics, Statistical techniques, Oracle, LINUX, Software testing
Email: priiti.shelar@jaihindcollege.edu.in
- c. Name: Ms. Shruti Shah
Designation: Asst. Professor
Qualification: MSc-IT
Specialization: Programming, Computer Graphics, Data structures, IoT, Big Data analytics
Email: shruti.shah@jaihindcollege.edu.in
- d. Name: Ms. Fatima Shaikh
Designation: Asst. Professor
Qualification: MSc-IT

Specialization: Discrete and Applied Mathematics, Programming and web development, Android Programming, Data analysis

Email: fatima.shaikh@jaihindcollege.edu.in

e. Name: Ms. Aafreen Shaikh

Designation: Asst. Professor

Qualification: MSc-IT

Specialization: Web Technologies, Statistics, Networking and Security, Python Programming, Project Management

Email: aafreen.shaikh@jaihindcollege.edu.in

f. Name: Ms. Heena Shaikh

Designation: Asst. Professor

Qualification: MSc-IT

Specialization: Computer Networks, Web Technologies, Operating System, Web Technologies, C and C++ Programming.

Email: heena.shaikh@jaihindcollege.edu.in

g. Name: Ms. Shraddhadevi Singh

Designation: Asst. Professor

Qualification: MSc-IT

Specialization: Green computing, Cyber Forensics, Database Management System, Optimization techniques, Python programming, Web Programming

Email: shraddha.singh@jaihindcollege.edu.in

Programs offered

Bsc - Information Technology (Self Financed)

Society/Cell Under Department

a. Dot Com Club

The Dot Com Club, Jai Hind's IT student club, runs CyberStrike - a renowned inter-collegiate tech fest featuring e-sports, coding challenges, and more. They also host Fun Saturdays, Teachers' Day events, and Christmas parties, fostering a vibrant tech community..
