

Bachelors in Banking and Insurance (BBI)

About the Department

The department, established in 2003 with BBI and expanded to include BAF and BFM in 2010, offers specialized business and commerce courses. The curriculum is designed to provide students with practical exposure and in-depth knowledge, preparing them for competitive careers and further education. The department boasts a faculty of 4+ in-house professors and 12+ visiting industry specialists. It emphasizes research through the student-run club 'Endeavour' and skill development via 'Concourse', which hosts established speakers. 'Bazaar' exposes students to financial markets, while 'In-Tune In-Touch' keeps everyone updated on departmental activities. This focused approach has enabled students to pursue higher education at top institutions worldwide, including Ivy League schools. The department aims to equip students with the skills to ask the right questions, adapt to dynamic environments, and build successful careers in specialized business fields.

About the HOD

Ms. Yasmin Singaporewala has 16 years of experience and is the Head of Department and Coordinator for BBI. She is passionate about teaching and guiding new students to greater heights. She has guided many projects and published several papers. She has multiple postgraduate degrees including an MCom in Accountancy, an MBA with specializations in Marketing and Human Resources, and an MCom in Management. Furthermore, her credentials are bolstered by clearing the NET (National Eligibility Test) and obtaining a JRF (Junior Research Fellowship) in Accountancy, Marketing, and Human Resources. This diverse academic and professional background suggests that she brings a wealth of knowledge and expertise to her roles in both administration and teaching.

Message from the HOD

Welcome to the Department of Banking and Insurance. Our experienced faculty is committed to providing comprehensive education tailored to the industry's evolving needs. Our curriculum emphasizes critical thinking, analytical skills, and problem-solving abilities. We bridge theory and practice through internships, training programs, and industry visits, enabling students to apply classroom knowledge to real-world scenarios. We also prioritize holistic development through extracurricular activities that foster teamwork and leadership skills. To keep students updated, we organize industry-specific events, workshops, and guest lectures. We focus on promoting financial literacy through various initiatives, helping students make informed decisions and contribute effectively to the industry. As the department head, I wish you the best in your academic journey. Embrace the opportunities available and prepare to excel in the dynamic world of banking and insurance.

Programme Offered

Bachelors in Banking and Insurance (Self Financed)

Society/Cell under Department

Entourage

Entourage, the annual financial festival organized by the BAF, BBI, and BFM department at Jai Hind College, is a dynamic event characterized by corporate and social enthusiasm. It features a variety of financial events, upskilling sessions, and CSR activities, focusing on finance while also nurturing students' creativity and essential life skills. The festival serves as a vital platform for students to interact with industry experts and professionals, gaining practical insights into the finance sector. Entourage enables participants to enhance their knowledge of the latest industry trends, develop interpersonal skills, and expand their professional networks. By emphasizing planning, leadership, and excellence in finance careers, the festival prepares students for future challenges and opportunities. Additionally, its focus on creativity, sustainability, and social responsibility makes Entourage a comprehensive and enriching experience, contributing significantly to students' personal and professional growth in the finance industry.

ConCourse

ConCourse is a guest lecture series organized by the BAF, BBI, and BFM department at Jai Hind College. It hosts prominent speakers from various fields, covering topics like entrepreneurship, finance, corporate management, and personal growth. The series aims to enhance students' understanding of specific job roles through interactions with industry experts. ConCourse bridges the gap between academia and industry by providing practical knowledge and networking opportunities. Students can engage directly with professionals, gaining valuable insights into their desired careers. This initiative, with its diverse events and focus on practical skills, has become an essential component of the curriculum, preparing students for their future professional challenges.

Endeavour

Endeavour is a comprehensive editorial club in the department, promoting reading, research, debating, and peer relations. It consists of four main components:

- Blog: A platform (<https://endeavour.home.blog>) for students to write articles on various topics, from cultural events to economic analysis and personal essays.
- Research Club: Teaches students research basics, hypothesis formulation, and critical thinking skills applicable to their careers.
- Debate Club: Focuses on developing debating skills and soft skills, organizing competitions for students.

- Alumni Series: Facilitates peer networking and learning by connecting current students with college alumni for motivation and insights.

These initiatives collectively aim to enhance students' awareness, writing skills, research abilities, critical thinking, and professional networking.

Baazaar

Baazaar₹ is Jai Hind College's dedicated financial magazine, launched in 2019 by the BAF, BFM, and BBI departments. Published monthly, it serves as the Financial Nexus for students, aiming to spread financial awareness and literacy across the college.

Key features of Baazaar₹ include:

- Simplifying core financial news and concepts for students
- Providing detailed investment articles with analysis and charts
- Offering weekly posts on various finance and economic topics
- Serving as a comprehensive source for business and economic news

The magazine helps students make informed financial decisions and stay updated on industry trends. Through its informative content and regular publications, Baazaar₹ plays a crucial role in developing students' financial knowledge and skills while promoting financial literacy in the wider college community.

In-Tune In-Touch

In-Tune In-Touch is the departmental newsletter for the BAF, BBI, and BFM programs at Jai Hind College. Created and published regularly by students, it serves as a comprehensive information source for departmental activities and achievements. The newsletter covers:

- Club activities and events
- Teacher's Tales and faculty interviews
- Student achievements and recognition
- Mental health support through a 'Safe Space' section
- Academic updates and upcoming events
- Departmental initiatives and happenings

In-Tune In-Touch acts as a vital communication tool, fostering a sense of community within the department. It provides students with a platform for creativity and expression while keeping both students and faculty informed about the latest developments. By offering a mix of academic, personal, and extracurricular content, the newsletter plays a crucial role in enhancing student engagement and promoting a well-rounded departmental culture.

Student Achievements

Students from the BBI have achieved numerous accolades from 2018–2023, including top

prizes at the college competitions, national competitions, and awards at national and international conferences. Highlights include victories at the EY Next Gen Women 2022, LSR, Delhi University, and Swimming. Their achievements reflect the department's emphasis on academic excellence and research.
