

THE INTERNSHIP CELL

Faculty Head- Dr Rakhi Sharma

Faculty Members- Mr Wilson Rao, Ms. Evelyn Correia, Dr. Kruti Pandeya, Ms. Sajari Dhumak, Ms. Aditi Saini, Dr. Saudah Khatri, Ms. Vibhuti Gunjal, Mr. Mohit Patel, Ms. Jyoti Mayekar, Ms. Shilpa Jain, Ms. Tanvi More.

The Internship Cell of Jai Hind College is a platform for experiential learning and professional development. At the heart of our educational setup, we recognize internships not merely as stepping stones but as experiences that help students groom their theoretical insights into practical skills.

Nestled within the framework of our Training and Placement Cell, the Internship Cell at Jai Hind College is a testament to our unwavering commitment to providing students with not just opportunities, but experiences that pave the way for success. In acknowledgement of the pivotal role internships play in career development and personal growth, our institution has meticulously crafted a robust ecosystem, to foster collaborations with companies and organizations across diverse sectors.

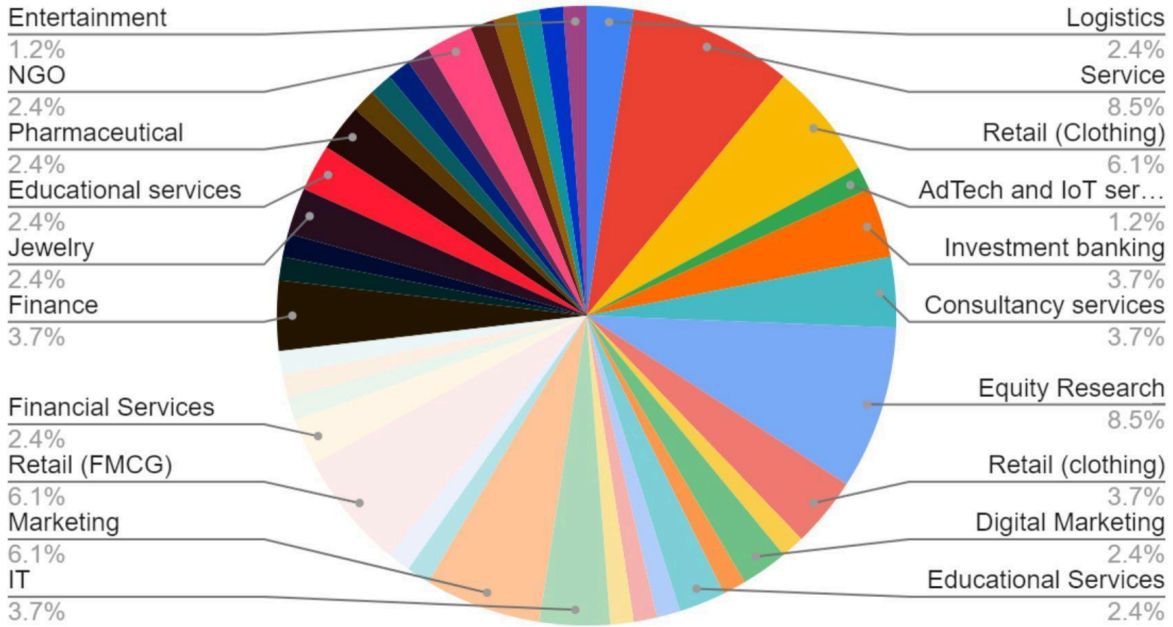

The internships ranged across diverse sectors giving industry exposure to students like Retail(FMCG), Equity Research, Logistics, Financial Services, Marketing, Operations and many more.

Our students had the prestigious opportunity to intern at companies like Morgan Stanley, PVH Arvind Fashion (Calvin Klein and Tommy Hilfiger), Admatuzz and many other reputable names who offered great learning opportunities to our students.

Aligned with the Indian government's vision for skill development and experiential learning, our Internship Cell serves as a conduit for students to immerse themselves in the dynamic landscape of their chosen fields. From the corridors of our esteemed BBA department to the vibrant tapestry of collaborations, we emphasize the transformative impact of internships, advocating for at least one 6- to 8-week immersion before students step into the final year of their program.

Driven by a commitment to quality and efficacy, the Internship Cell at Jai Hind College not only facilitates connections but also nurtures them throughout the internship journey. Our dedication extends beyond encompassing regular communication with both students and organizations. This ensures a seamless and enriching experience, and through feedback loops, we continually refine and enhance the internship program for future cohorts.
