Employer's Testimonials

Mr. Neil Patil
Founder,
Veena World

Your college is doing a great job when it's promoting this course and it's one of the few colleges in Mumbai who is doing this program and there is not more than 10 I think. The awareness will only come when you as students start working at these travel companies and you using your network to make people aware that these are the courses that can be taken up to this industry. At the end of the day, it is a fun industry to be in, because there is something new everyday.

Mr. Chinmay Divekar
Owner, Pugmarks

My experience with Jai Hind College has been excellent throughout, in terms of support that has been extended by Archana Ma'am and the whole team at Jai Hind. I have interacted with the students of First, Second and the Third year of B Voc Travel and Tourism Course. All the students were extremely energetic and willing to take up assignments and work well. So, it was a great experience overall.

Mr. Wasim Shaikh
Founder,
Active Holidays

My experience with Jai Hind College has been fantastic as the college focuses on the right knowledge. The head of department Archana Mishra makes sure to give her students excellent exposure to the industry.

Mr. Fanil Zakhariya

Wonderful experience so far the roles and responsibilities assigned have helped me develop on a professional front. The HOD and colleagues are very supportive, and it's been a pleasure to teach the young minds who are the future of our industry.
