Jai Hind Business Conclave

A BBA INITIATIVE

ANNUAL REPORT 2024-25

BUSINESS. PROGRESS.
DEVELOPMENT.

@jaihindbusiness.conclave

ABOUT US.

- To mark the 75th year of Jai Hind College's establishment, the BBA department (in collaboration with TCS), introduced the Jai Hind Business Conclave.
- This year, the event was held on 5th and 7th December 2024, with a footfall of about 5000 people.

VISION AND MISSION.

MISSION

To bridge the gap between the corporate world and real life and to champion entrepreneurial spirit, collaboration, and creativity in business.

VISION

To be India's premier undergraduate platform that bridges academic insight with industry foresight, inspiring the next generation of ethical, innovative, and impact-driven business leaders.

SPEAKER SESSION ON THE IMPACT OF THE UN ON THE EVENTS OF 2024

FROM THE USNC RESOLUTION TO KENNETH WALTZ, A COMPREHENSIVE SESSION

Mr. Kishu Daswani (LLM, LLB) inaugurated JBC 2024-25 with a pre-event in the A.V. Room at Jai Hind College on the topic 'The impact of the UN on the events of 2024.' It was truly an enlightening experience that opened our eyes and minds.

CL MEET 2024-25

The Contingent Leaders Meet for the 3rd edition of the Business Conclave saw attendance from over 25 colleges with 50+ representatives total. The A.V. Room at Jai Hind College was packed with students who engaged in the various activities we had planned for them.

CHARACTER DAY 2024-25

Lights, camera, action!
The annual pre-event -

Hind Business Conclave
brought Bollywood and
Hollywood to life-the just
right amount of cinematic
flair (and professionalism)!

Day 1

JAI HIND COLLEGE (EMPOWERED & AUTONOMOUS)
PRESENTS
JAI HIND BUSINESS CONCLAVE
A BBA Initiative
THE MONOPOLY EDITION

Day 1 2024 opened with electrifying competitions that challenged students to push their limits. The flagship event Zero Rupee 3.0 stole the show, where over 30 colleges transformed Rs. 20 into a significant amount, showcasing their entrepreneurial skills and innovation.

This year's treasure hunt saw participants from 30 contingents. The riddles tested all aspects of their business acumen from data analysis to statistics, among others.

Ullhas Fest 2024: Celebrating talent and holistic development

Ullhas Fest 2024 is a vibrant celebration of talent and holistic development, showcasing the achievements of students across various disciplines. The event, held at the Jai Hind College, Mumbai, was a grand affair with a wide range of activities, including sports, arts, and academic competitions. The festival was inaugurated by the college's management and faculty members, who expressed their pride in the students' accomplishments. The event was a testament to the college's commitment to providing a well-rounded education that nurtures both academic and extracurricular skills. The festival was a great success, with students displaying exceptional talent and creativity in various fields. The event was a testament to the college's commitment to providing a well-rounded education that nurtures both academic and extracurricular skills.

'P' Ward Science Exhibition 2024-25 will be participated by over 180 schools in the city

The 'P' Ward Science Exhibition 2024-25 is a prestigious event that will be participated by over 180 schools in the city. The exhibition is a platform for students to showcase their scientific knowledge and creativity. The event is organized by the P Ward Education Trust, which aims to promote science education and foster a spirit of innovation among students. The exhibition will feature a wide range of projects and displays, including experiments, models, and research papers. The event is a great opportunity for students to learn from each other and gain valuable experience in scientific research and presentation. The exhibition is a testament to the commitment of the P Ward Education Trust to providing a high-quality education that emphasizes science and innovation.

Jai Hind Business Conclave

The Jai Hind Business Conclave is a premier event for students to showcase their business acumen and leadership skills. The conclave is a platform for students to present their business plans, pitch their ideas, and compete for prizes. The event is organized by the Jai Hind College, which aims to provide students with a real-world experience in business and entrepreneurship. The conclave features a series of activities, including a business plan competition, a pitch competition, and a panel discussion. The event is a great opportunity for students to develop their business skills and gain valuable experience in the corporate world. The conclave is a testament to the college's commitment to providing a well-rounded education that nurtures both academic and extracurricular skills.

AI cameras installed on Mum-Pune E-way

AI cameras have been installed on the Mum-Pune E-way to enhance road safety and monitor traffic flow. The cameras are part of a smart infrastructure project that aims to improve the efficiency and safety of the road. The project is a collaboration between the government and private companies, and it is a testament to the commitment to providing a safe and efficient transportation system. The cameras will be used to monitor traffic flow, detect accidents, and provide real-time information to drivers. The project is a great example of how technology can be used to improve infrastructure and enhance road safety.

MIJ Girls' High School dominates H Ward Science Exhibition this year

MIJ Girls' High School has dominated the H Ward Science Exhibition this year, showcasing exceptional talent and innovation. The school's students presented a wide range of projects and displays, including experiments, models, and research papers. The school's success is a testament to the commitment of the school's management and faculty members to providing a high-quality education that emphasizes science and innovation. The exhibition is a great opportunity for students to learn from each other and gain valuable experience in scientific research and presentation.
