## Mentoring

Personalized mentoring by industry experts

## Co-Working Spaces

Modern co-working spaces

## Specialized programs

Specialized programs for developing entrepreneurial skills

## Opportunities

Opportunities to network and connect

# Overview of IIC

## Institution's Innovation Council (IIC)

Jai Hind College joined the IIC in 2021, aligning with the Ministry of Education's initiative to promote innovation in higher education institutions across India.

### 10- Innovation Ambassadors

The council is supported by a dedicated team of 10 faculty members, all certified as Innovation Ambassadors under the All India Council for Technical Education (AICTE) and the Ministry of Education.

### Mission

The primary goal of the IIC is to nurture young innovators by providing them with opportunities to explore new ideas and transform them into viable projects. This aligns with both mandated and voluntary activities set forth by the IIC framework.

## Programs and Activities
