INSTITUTION'S INNOVATION COUNCIL (IIC)

The *Institution's Innovation Council (IIC)* was launched by the Ministry of Education of the Govt. of India in collaboration with AICTE.

Purpose - To systematically foster the culture of innovation and the start-up ecosystem in all Higher Education Institutions across the country.

We have joined hands with IIC to help foster the growing entrepreneurial ecosystem.

ABOUT US

The Jai Hind E-Cell and Skill Hub was digitally inaugurated by our Hon'ble Prime Minister, Shri Narendra Modi.

Transforming the job seekers into the job makers of tomorrow through consistent re-skilling and empirical learning and contributing to the staggering startup economy.

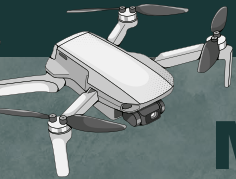

We achieve this through our annual "Global Entrepreneurship Summit," as well as a variety of workshops, seminars, and competitions.

OUR INITIATIVES

At E-Cell & Skill Hub, we empower future entrepreneurs through engaging competitions, learning experiences, and powerful networks. From masterclasses to mentorship and skill sessions, our year-long initiatives bridge the gap between ambition and action.

OUR INITIATIVE

ENTREPRENEURIAL HEIST

We organized "The Great Entrepreneurial Heist" to celebrate World Entrepreneurship Day. The multi-day event featured a startup pitch competition for practical experience, interactive sessions with the co-author of a prominent business figure's biography, and a D2C branding masterclass led by a successful founder. Attendees had opportunities to gain industry insights, earn academic credits, and participate in a creative challenge with a chance to win prizes.

THE UNDERCOVER BILLIONAIRE: START-UP COMPETITION

The start-up pitch competition allowed 30 students to present their innovative ideas to industry experts, gaining hands-on pitching experience and valuable feedback. The event provided opportunities for networking, mentorship, and potential investment, helping students refine their business models and connect with professionals in the field.

OUR INITIATIVE BUSINESS MODEL CANVAS

Faculty: Dr. Rakhi Sharma
Director of AICTE Courses,
Jai Hind College

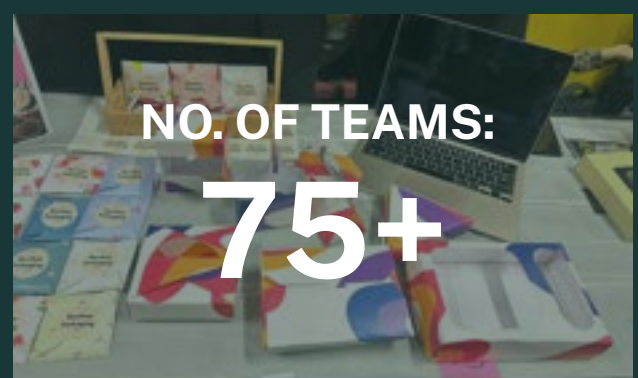

No. of Participants: 120+

As part of our experiential learning initiative, students engaged in a hands-on Business Model Canvas workshop designed to equip them with strategic tools to visualize and analyze their business ideas. Through this dynamic activity, they explored key components such as value propositions, customer segments, revenue streams, and more. Fostered entrepreneurial thinking but also provided actionable insights into building sustainable and scalable ventures.

OUR INITIATIVE PROTOTYPE DEMONSTRATION

We organized Prototype Demonstration, a dynamic platform for young minds to present their creative ideas and functional prototypes. With over 75 groundbreaking projects on display, the event brought to life the energy, ingenuity, and passion of our student innovators. The showcase was further elevated by the presence of 15 esteemed external judges — industry experts who offered valuable feedback and recognition.

Faculty: Dr. Rakhi Sharma, Prof. Sajiri Dhumak,
Prof. Kruti Pandya, Prof. Sana Merchant
External Judges: 15 Industry Leaders

OUR INITIATIVE **E-LEADERS NETWORKING MEET**

The Entrepreneurship Cell and Skill Hub organized a phenomenal E-Leaders Meet, uniting leaders from over **60+ E-Cells** across the nation. This vibrant gathering served as a hub for idea exchange, meaningful networking, and mutual inspiration. It was a celebration of entrepreneurial spirit — where collaboration sparked innovation and conversations evolved into future partnerships.

With the expert media coverage by **BHARAT CXO (CEO, CIO, CTO, CHRO, CFO, CISO, COO)** and **NavaBharat** Media Partners, the impact of this transformative event reached an even wider audience, amplifying the voices of tomorrow's change-makers.
